WORKPAPER UPDATES AND ROLL FORWARD NOTES

General Roll Forward Note:

You must be the current editor of all Knowledge Coach workpapers to update to the latest content, and you must be the current editor upon opening the updated workpaper for the first time to ensure you see the updated workpaper.

The **2022 Knowledge-Based Audits of Employee Benefit Plans** have been updated to help auditors conduct efficient and effective audit engagements in accordance with U.S. GAAS and to take into account the latest literature, standards, and guidance, including:

- AICPA Statement on Auditing Standards (SAS) No. 134, *Auditor Reporting and Amendments, Including Amendments Addressing Disclosures in the Audit of Financial Statements*;
- SAS No. 135, *Omnibus Statement on Auditing Standards – 2019*;
- SAS No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*;
- SAS No. 137, *The Auditor’s Responsibilities Relating to Other Information Included in Annual Reports*;
- SAS No. 138, *Amendments to the Description of the Concept of Materiality*;
- SAS No. 139, *Amendments to AU-C Sections 800, 805, and 810 to Incorporate Auditor Reporting Changes From SAS No. 134*;
- SAS No. 140, *Amendments to AU-C Sections 725, 730, 930, 935, and 940 to Incorporate Auditor Reporting Changes From SAS Nos. 134 and 137*;
- SAS No. 141, *Amendment to the Effective Dates of SAS Nos. 134–140*;
- AICPA Ethics Interpretation, *Information System Services* (ET sec.1.295.145); and
- For 11-K audits, PCAOB auditing standards and rules issued through October 2020, including AS 1210, *Using the Work of a Specialist*, and AS 2501, *Auditing Accounting Estimates*.

This suite of SASs is effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is permitted. SAS No. 141 is effective upon issuance.

The following standards have not been fully incorporated but are discussed in practice alerts:

- SAS No. 142, *Audit Evidence* (effective for periods ending on or after December 15, 2022);
- SAS No. 143, *Auditing Accounting Estimates and Related Disclosures* (effective for periods ending on or after December 15, 2023)
- SAS No. 144, *Amendments to AU-C Sections 501, 540, and 620 Related to the Use of Specialists and the Use of Pricing Information Obtained from External Information Sources* (effective for periods ending on or after December 15, 2023)
- SAS No. 145, *Understanding the Entity and Its Environment and Assessing the Risks of Material Misstatement* (effective for periods ending on or after December 15, 2023).

The 2022 tools include links to detailed analysis related to the steps and processes discussed in the workpapers. Many new tips and examples have been incorporated. Also included are revised financial statement disclosures checklists that provide a centralized resource of the required and recommended U.S. GAAP disclosures and key presentation items currently in effect, using the style referencing under the FASB Accounting Standards Codification™.

Removed	Note: The presentation and disclosure requirements in item 1 below have been superseded by the amendments in ASU No. 2016-01, <i>Financial Instruments – Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities</i> , which is effective for public business entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2017. For all other entities, the requirements are effective for fiscal years beginning after December 15, 2018, and interim periods within fiscal years beginning after December 15, 2019. Thereafter, the presentation and disclosure requirements in items 2 and 3 below should be followed. (ASC 825-10-65-2)	
Removed	Has the following information about fair value of financial instruments been disclosed (ASC 825-10-50-3 through 50-16) (<i>Note: For annual reporting periods, the following disclosures apply to all</i>

	entities. For interim reporting periods, the following disclosures apply only to public entities and are optional for nonpublic entities.):	
Removed	<p>Note: These disclosures about the fair value of financial instruments are optional, not required, for an entity that meets <i>all</i> of the following criteria as of the most recent year presented: (1) the entity is a nonpublic entity, (2) the entity's total assets are less than \$100 million on the date of the financial statements, and (3) the entity has no instrument that, in whole or in part, is accounted for as a derivative instrument, other than commitments related to the origination of mortgage loans to be held for sale during the reporting period. For purposes of this disclosure guidance, a receive-variable, pay-fixed interest rate swap for which the simplified hedge accounting approach (see ASC Subtopic 815-20) is applied should not be considered an instrument that is accounted for as a derivative instrument under ASC Topic 815.</p> <p>Note: If disclosures are not required in the current period, the disclosures for previous years may be omitted if financial statements for those years are presented for comparative purposes. If disclosures are required in the current period, disclosures that have not been reported previously need not be included in financial statements that are presented for comparative purposes.</p>	
Removed	<p>Fair value of financial instruments for which it is practicable to estimate fair value, either in the body of the financial statements or in the accompanying notes? (For trade receivables and payables, no disclosure is required if the carrying amount approximates fair value). In connection with this item:</p> <ul style="list-style-type: none"> (a) When disclosure is made in the accompanying notes, is the fair value presented together with the related carrying amount in a form that makes it clear whether the fair value and carrying amount represent assets or liabilities and how the carrying amounts relate to what is reported in the balance sheet? (b) Has disclosure been made in a single note or, if disclosed in more than a single note, does one of the notes include a summary table that contains the fair value and related carrying amounts and cross-references to the locations of the remaining disclosures? 	
Removed	<p>The methods and significant assumptions used to estimate the fair value of financial instruments consistent with the requirements of ASC paragraph 820-10-50-2(bbb)?</p> <p><i>Note:</i> A reporting entity is not required to provide the quantitative disclosures about significant unobservable inputs used in fair value measurements categorized within Level 3 of the fair value hierarchy required by ASC paragraph 820-10-50-2(bbb).</p>	
Removed	A description of the changes in the method(s) and significant assumptions used to estimate the fair value of financial instruments, if any, during the period?	
Removed	The level of the fair value hierarchy within which the fair value measurements are categorized in their entirety (Level 1, 2, or 3)?

RELATED, FOUNDATIONS AND ASSOCIATION WORKPAPERS FOR THIS TITLE

Related workpapers are Knowledge Coach Word workpapers where information flows in or out of tables within the workpaper. Some of these related workpapers are Foundation workpapers or associated workpapers.

Foundation Workpapers include most of the Communication Hub workpapers, which are central to the Knowledge-Based Audit Methodology used by the Knowledge Coach titles. Associated workpapers require you to associate them with custom values, such as audit areas, specialists, service organizations, and other items. Workpapers require an association when you need to have more than one instance of a particular Knowledge Coach workpaper in your binder for each type of item to which the workpaper is related. Making this association allows Knowledge Coach information to flow properly between workpapers.
